Recruiting

Sometimes individuals contact Maranatha looking for a project in a specific country or during a set time frame. In these instances, can we contact you to see if your group is open to accommodating additional people? Yes No

MARANATHA VOLUNTEERS INTERNATIONAL

Volunteer Team Project Agreement

Name of Team: _____

I, the Project Coordinator, submit this application and signed contract, along with a non-refundable \$50 application fee*, requesting the assignment of a Maranatha project. I agree to comply with the guidelines listed below.

Team Leadership

The Project Coordinator will communicate directly with the Maranatha office and will recruit people for the leadership team, which may include the following roles: Construction Superintendent, Safety Officer, Project Cook, Spiritual Leader, Team Medic, Translator, Communications Director, and Mason.

Team Size

Suggested team size is 15 to 35 people, depending on the type of building you will construct. Volunteer teams with young people ages 14-17 should consider a ratio of at least one adult per every four youth. A parent or guardian should accompany each child who is 13 years and younger.

Project Fees

Maranatha will provide a mission project for your group. The funding for this project comes from a variety of sources including donors, recipient entities, and volunteers. Each volunteer (12 years and older) is asked to pay a project fee of \$150**. This amount goes toward the overall cost of providing a mission project for your group.

Funding

Groups have the option to fundraise and sponsor a portion or all of the project being worked on by the group. Depending on the sponsorship amount, Maranatha may waive the \$150 per-person project fee.

Site Visit

The Project Coordinator commits to making a preliminary site visit to the assigned project. It is understood that this trip should be included in the team budget. Site visits may be waived for projects in India and Africa.

Insurance

Insurance will be purchased through Maranatha for the site visit and volunteer project. The cost for insurance coverage is \$3.00 per person, per day. This price is valid through 2019. If your project is scheduled for after 2019, this price is subject to change. A full list of benefits can be found at www.maranatha.org/insurance.

Travel

All necessary travel arrangements for the team, including the purchase of airline tickets, will be made by the Project Coordinator.

Food

Depending on location and housing, your team should be prepared to provide your own food & cooking utensils.

**Please include the application fee of \$50 with your completed application. The application fee is non-refundable.*

***Balance of all fees must be received at least 30 days prior to the departure for your trip.*

Please Read Carefully and Sign Below

I have read this contract and, on behalf of the team, agree to abide by the requirements set forth above. I also agree to state in all publicity and presentations that this is a short-term mission project arranged between our organization and Maranatha.
