

# a closer look at INDIA

When **Maranatha** first began work in India there were **200,000 Adventists** in the whole country.

**MULTIPLY THAT BY 8.**

In 2014 there are now **1.6 million Adventist Christians** in India.

In 1998 there were **50,000** Adventists in Andra Pradesh. **By 2013** that number had grown to **950,000** people—a direct correlation to the mission work done in that state.

1998  
**50,000**  
Adventists

2013  
**950,000**  
Adventists

= 10,000 people

Despite this exponential growth, the **huge majority of Indian people have never heard the Gospel** message.

In the years that Maranatha has been building in India, giving has exploded.

Offering in India has jumped from **\$118,280.73** to **\$702,521.25**
