

BUILD A MISSION TRIP WITH MARANATHA

DO YOU WANT TO
PLAN A MISSION TRIP
FOR YOUR CHURCH OR
SCHOOL—BUT DON'T
KNOW WHERE TO
BEGIN? LET
MARANATHA HELP!

One of the services Maranatha offers is creating mission trips for private groups. We match teams to a project, provide construction materials, and offer logistical support. We call these trips “Group Projects.” Anyone can create a group project through Maranatha as long as they have a team of at least 15 volunteers.

1

Determine a timeframe and number of volunteers.

Contact Maranatha to discuss destination options and begin planning process.

2

Go on a site visit several months prior to your actual project. Work with our field staff to choose accommodations, determine resources, and plan outreach opportunities.

3

4

Set a budget, recruit volunteers, and fundraise.

5

Travel with your team to project site, where all building materials will be ready for your team to begin. Our in-country crew will be there to support you throughout the project.

GO TO WWW.MARANATHA.ORG FOR MORE DETAILS ON “CREATING A TEAM” WITH MARANATHA.
