

As the Seventh-day Adventist Church continues to grow at a fast pace, the need for places of worship is increasing. There aren't enough churches or the funds to provide them, and congregations have to meet in homes, patios, and under trees.

In the past five years, Maranatha Volunteers International has received requests for more than 100,000 churches from around the world.

This is a daunting task. The need for churches will continue to increase as we work to share the Gospel message. But how will we fulfill the needs?

**What if you could
start with just \$10?**

Maranatha spreads the Gospel throughout the world as it builds people through the construction of urgently needed buildings.

THE \$10 CHURCH PROGRAM

Build a Church for \$10!

Maranatha Volunteers International

THE \$10 CHURCH

The \$10 Church program plays a major part in fulfilling the need for churches by asking individuals to donate just \$10 a month. The combined \$10 from thousands of people is enough to sponsor the completion of several churches each month!

It's an easy and effective way for you, your family, and friends to be part of our mission to share God's love through construction!

How it Works

Getting involved with The \$10 Church is easy! Just follow these simple steps, and you'll be part of Maranatha's most important fundraising program!

- 1 Give \$10 a month specifically to The \$10 Church program. This can be done **online**, by sending a check, or by calling Maranatha at (916) 774-7700.
- 2 Your gifts to the program are pooled with thousands of other \$10 Church contributions each month.
- 3 The combined money sponsors multiple churches each month.
- 4 Every month you receive a story about a church YOU helped to build!

HOW DO I JOIN?

You have the option to send a check for \$10 a month, request your credit card to be charged monthly, or send a check for \$120 to cover the entire year. You can also give more than \$10 a month!
