

Grand Junction Church Open Teams

Information Packet

Location: Grand Junction, Colorado, USA

Open Team 3: May 28 – June 11, 2017

Open Team 4: June 11 – 23, 2017

Thank you for your interest in the Grand Junction Church Open Team project, one of our many efforts based in North America. Each year, Maranatha works with organizations in the United States and Canada to provide volunteer labor for various construction or renovation projects. Typically, these North America projects provide lodging and meals to participants.

This six-week project is broken down into two-week increments. Please register for each open team separately if you plan to be there for more than one segment.

Project Overview

Volunteers will construct a new church building for the Grand Junction Church congregation. They will help with the wood framing, siding, and roofing.

Accommodations

There is space for 60 volunteers on this project. Volunteers who have requested housing will be hosted by local church members. There are also many RV sites with partial hookups available for those bringing their RV.

Expenses

The only costs to volunteers are the travel expenses to and from the project. Three meals a day, accident insurance, and local housing are free in exchange for your volunteer labor.

About Grand Junction

Attractions

Volunteers may choose to arrive early or leave a few days after the project concludes to appreciate local sights and activities. Volunteers are responsible for making their own plans outside the project dates. This includes food and housing arrangements for some of these or other popular area attractions.

Weather

Average temperatures for Grand Junction, Colorado, during May and June, average in the mid 40's to mid-high 70's Fahrenheit. Of course, current weather conditions can change at any time, so we recommend that you check the 10-day forecast before leaving to ensure that you are prepared for the most current weather conditions.

Travel Information

If you are planning on flying to the project, the closest airport is the Grand Junction Regional Airport (KGJT), a 10-minute drive from the project site. Please send your itinerary to volunteer@maranatha.org so pick up arrangements can be made.

Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

AIG World Wide Insurance Coverage

All volunteers will be covered by accident insurance from the time they arrive at the project until their departure. This is a secondary policy, which means all claims will first be processed through your primary policy.

This secondary policy does not have a deductible for medical charges.

Maximum Benefits:

Accidental death or dismemberment	\$75,000
Medical/dental expenses	\$100,000
Medical evacuation	\$1,000,000
Repatriation (in the event of a death)	\$1,000,000
Dental expenses (per tooth)	\$ 250

Purchasing Maranatha Insurance

Maranatha mission projects are construction projects where people can get hurt. Accident insurance is essential. It is not possible for Maranatha to analyze everyone's policy to see whether his or her insurance is current and the coverage is in effect at the location of the mission project. The Maranatha Board of Directors decided that the safest route was to require everyone to purchase coverage that we carry. The cost of this coverage is provided by the hosting organization for Maranatha volunteers on North American Projects. The insurance brochure with the policy information will be sent to you in the final information email after you have registered and have been confirmed for a project.

Emergency contact

If family members need to get in touch with you while you are at the project and they cannot reach you, they can contact the Maranatha office at (916) 774-7700.
