

Seaside Adventist Church (OR) Project

Information Packet

Location: Seaside, Oregon, USA

Project Dates: August 27 – September 8, 2017

Arrive on August 27 and start work on August 28

Thank you for your interest in the Seaside Adventist Church Project, one of our many efforts based in North America. Each year, Maranatha works with organizations in the United States and Canada to provide volunteer labor for various construction or renovation projects. Typically, these North America projects provide lodging and meals to participants.

Project Overview

Volunteers will construct a new church building for the congregation. They will help with the wood framing and siding as well as roofing, window installation, and rough electrical work.

Leadership

Project Coordinator: Ed Jensen

Construction Superintendent: Leroy Kelm

Local Contact: William Smith, Pastor

Accommodations

There is space for 30 volunteers on this project. Volunteers who have requested housing will be hosted by local church members or will stay in school classrooms 8 miles away. There is also one acre of open land next to site for RV's, with partial hookups available for those wishing to bring their RV. If housing is limited, priority will be given to volunteers who can come for the entire time of the project.

Expenses

The only costs to volunteers are the travel expenses to and from Seaside, Oregon. Three vegetarian meals a day, accident insurance, and local housing are provided by the Seaside Adventist Church in exchange for your volunteer labor.

Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form and will do our best to accommodate your needs. However, we can not accommodate all special requests. If your diet is restrictive (vegan, gluten free, etc) we recommend that you bring items such as soy milk powder, gluten free bread, etc. to supplement the meals provided by the cooks.

Safety

Maranatha has a very high safety record on the worksite. This, is in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

AIG World Wide Insurance Coverage

All volunteers will be covered by accident insurance from the time they arrive at the project until their departure. This is a secondary policy, which means all claims will first be processed through your primary policy.

Maximum Benefits:

Medical	\$100,000
Dental (per tooth)	\$ 250
Emergency evacuation	\$1,000,000
Accidental death or dismemberment	\$75,000
Repatriation (in the event of a death)	\$1,000,000

Purchasing Maranatha Insurance

Maranatha mission projects are construction projects where people can get hurt. Accident insurance is essential. It is not possible for Maranatha to analyze everyone's policy to see whether his or her insurance is current and the coverage is in effect at the location of the mission project. The Maranatha Board of Directors decided that the safest route was to require everyone to purchase coverage that we carry. The cost of this coverage is provided by the hosting organization for Maranatha volunteers on North American Projects. The insurance brochure with the policy information will be sent to you in the final information email after you have registered and have been confirmed for a project.
