

Camp Hope (BC) Project

Information Packet

Location: British Columbia, Canada

Dates: May 9 – 24, 2018

(arrive on May 9 and start work on May 10)

Maranatha Volunteers International is a nonprofit, Christian organization focused on providing churches, schools, and water wells around the world. A portion of the projects utilize volunteers on short-term mission trips to complete the work. Annually, we mobilize more than 2,000 volunteers to assist with various service opportunities and partner with thousands of donors to fundraise for international projects. Maranatha's mission is to spread the Gospel throughout the world as we support people through the construction of urgently-needed buildings. In North America, Maranatha aids by recruiting and organizing volunteer labor for construction and renovations projects at schools, churches, and camps.

The Camp Hope project is one of our many efforts based in North America.

Project Overview

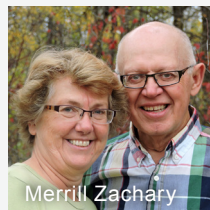

On this project, Camp Hope, a Christian camp that is owned and operated by the Seventh-day Adventist Church, is in need of volunteers who will help with many repairs around the camp. This includes building a large washroom and picnic area, flooring, painting, lifting cabins and building concrete and block foundations under them. They also need help with installing windows, cabinets, closets, bathroom sinks, as well as upgrading existing cabins. There is a lot to be accomplished, and Maranatha volunteers will be a huge blessing to this camp facility.

Expenses

The only costs to volunteers are the travel expenses to and from Camp Hope in British Columbia. Three vegetarian meals a day, accident insurance, and local housing are provided by Camp Hope in exchange for your volunteer labor.

Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form, and we will do our best to accommodate your needs. However, we cannot meet all special requests. If your diet is restrictive (vegan, gluten-free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

About British Columbia

Attractions

British Columbia, Canada's westernmost province, is defined by its Pacific coastline and mountain ranges. Nature areas like Glacier National Park offer hiking and biking trails, as well as campgrounds.

Whistler Blackcomb is a major ski resort that hosted the 2010 Winter Olympics. The Sea-to-Sky Highway links Whistler with Vancouver, another major city with great things to do.

Nearby is Hell's Gate, Othello Tunnels, Vancouver-Stanley Park, Science World, VanDuesen Gardens, Queen Elizabeth Gardens, Caplano Bridge, Whistler Vancouver Island, and more!

Volunteers may choose to arrive early or leave a few days after the project concludes in order to appreciate local sights and activities. Volunteers are responsible for making their own arrangements, including food and lodging, for all days outside of the project dates.

Weather

Average temperatures for British Columbia during May average in the low 50's to the low 60's Fahrenheit but plan for just about any type of weather. It can be cloudy, so pack rain gear and a warm jacket. Of course, current weather conditions can change at any time, so we recommend that you check the 10-day forecast before leaving to ensure that you are prepared for the most current weather conditions in British Columbia, Canada.

Travel Information

Flights

Once you have registered and been confirmed, if you are flying to the project, please plan to arrive on May 9 and depart on May 24; the closest airport is Abbotsford, BC (YXX), a 60 minute drive from Camp Hope. Please book flights that come in before 6 p.m. on the arrival date. If you need to fly in later, please check with the Maranatha office to confirm that your arrival time can be accommodated. Please send your itinerary to volunteer@maranatha.org so pick up arrangements can be made.

AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route was to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance would start and end on the Maranatha project dates based on the project application.

Insurance coverage depends on location of the project and home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

Registration

To register, please complete the online application at maranatha.org, or call to register over the phone. 100 volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
