

Mills Spring Ranch (WY) Project

Information Packet

Location: Casper, Wyoming, USA

Project Dates: July 30 – August 9, 2018

(arrival is on July 30 and first work day is July 31)

Thank you for your interest in the Mills Spring Ranch (WY) Project, one of our many efforts based in North America. Each year, Maranatha works with organizations in the United States and Canada to provide volunteer labor for various construction or renovation projects. Typically, these North America projects provide lodging and meals to participants.

Project Overview

Mills Spring Ranch is owned and operated by the Rocky Mountain Conference of Seventh-day Adventists. The camp is located on top of beautiful Casper Mountain. With approximately 200 acres of wilderness forest and meadows adjacent to the camp, there is plenty of room to explore. On this project, volunteers are needed to help with camp renovations. Tasks include carpentry, plumbing, painting, and general maintenance.

Leadership

Project Coordinator: Betty Beattie

Construction Superintendent: David Schwinn

Local Contact: Matt Moreland, Youth Camp Director

Betty Beattie

David Schwinn

Accommodations

There is space for 35 volunteers on this project. Volunteers who request housing will stay in cabins. There are also 26 RV sites, with electric hookups only, available to those wishing to bring their RV.

Expenses

The only costs to volunteers are the travel expenses to and from Mills Spring Ranch. Three meals a day, accident insurance, and housing are free in exchange for your volunteer labor.

Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals a day. We ask for your allergies on your registration form, and we will do our best to accommodate your needs. However, we cannot meet all special requests. If your diet is restrictive (vegan, gluten-free, etc.), we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

Departure

About Casper Wyoming

Attractions

Casper Mountain | Described as “the mountain town for the wild at heart,” there is lots to experience in this unique landscape. You can go hiking, mountain biking, boating, or fly fishing. You can also take scenic drives to Freemont Canyon and even to Yellowstone National Park, located about six hours away.

Volunteers may choose to arrive early or leave a few days after the project concludes to appreciate local sights. Volunteers are responsible for making any plans outside the actual project dates. This includes food and housing arrangements.

Weather

In July and August, average temperatures for Casper are in the mid 50's to high 80's Fahrenheit, but plan for just about any type of weather. Of course, weather conditions can change at any time, so we recommend that you check the 10-day forecast before leaving to ensure that you are prepared for the most current weather conditions.

Travel Information

Flights

If you are flying to the project, the closest airport is Casper Natrona County International Airport (C/NCIA), a 20-minute drive from Mills Springs Ranch Camp. Please book flights that come in before 6 pm on the arrival date. If you need to fly in later, please check with the Maranatha office to confirm that your arrival time can be accommodated. Please send your itinerary to volunteer@maranatha.org so pick up arrangements can be made.

Project Address:

**8000 Tower Hill Rd
Casper, WY 82601**

AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route was to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance will start and end on the Maranatha project dates listed on the project application.

Insurance coverage depends on the location of the project and the home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

Registration

To register, please complete the online application or call to register over the phone. A total of 35 volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
