Location: Union Springs, New York

(Arrive on July 15 and start work on July 16)

Maranatha Volunteers International is a nonprofit, Christian organization focused on providing churches, schools, and water wells around the world. A portion of the projects utilize volunteers on short-term mission trips to complete the work. Annually, we mobilize more than 2,000 volunteers to assist with various service opportunities and partner with thousands of donors to fundraise for international projects. Maranatha's mission is to spread the Gospel throughout the world as we build people through the construction of urgently-needed buildings.

In North America, Maranatha aids by recruiting and organizing volunteer labor for construction and renovation projects at schools, churches, and camps.

The Union Springs Academy project is one of our many efforts based in North America.

Project Overview

Union Springs Academy is located in Union Springs, New York. Union Springs Academy was founded in 1921. Over the years the campus has grown to include buildings for administration and classrooms, dormitories, church, faculty housing, farm, orchard and athletic facilities. For more than nine decades Union Springs Academy has provided quality Christian education to young people from New York, New England, Canada, and abroad.

This year, Union Springs Academy is asking for Maranatha's help with renovations. This includes landscaping, painting, carpet removal, laminate floor installation for the boys and girls dorm rooms, plumbing, as well as install fire-rated doors in dorm rooms.

Accommodations

There is space for 75 volunteers on this project. Volunteers who have requested housing, arrangements will be made for you in the dormitories. Beds are provided, but please bring your own pillow, twin sheets, blankets, and towels to use during the project. There are also 25 RV sites with partial hookups available for those wishing to bring their RV. If housing is limited, priority will be given to volunteers who can participate the entire length of the project.

Expenses

The only costs to volunteers are the travel expenses to and from Union Springs Academy. Three vegetarian meals a day, accident insurance, and local housing are provided by Union Springs Academy in exchange for your volunteer labor.

Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form, and we will do our best to accommodate your needs. However, we cannot meet all special requests. If your diet is restrictive (vegan, gluten-free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route was to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance would start and end on the Maranatha project dates based on the project application.

The policy that volunteers are covered on depend on location of project and home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

Registration

To register, please complete the online application at maranatha.org, or call to register over the phone. 75 volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
