

Northern Lights Camp (ND) Project

Information Packet

Location: Bottineau, North Dakota, USA

Dates: July 1-15, 2018

(arrival is on July 1 and first work day is July 2)

Maranatha Volunteers International is a nonprofit, Christian organization focused on providing churches, schools, and water wells around the world. A portion of the projects utilize volunteers on short-term mission trips to complete the work. Annually, we mobilize more than 2,200 volunteers to assist with various service opportunities and partner with thousands of donors to fundraise for international projects. Maranatha's mission is to spread the Gospel throughout the world as we build people through the construction of urgently-needed buildings.

In North America, Maranatha aids by recruiting and organizing volunteer labor for construction and renovations projects at schools, churches, and camps.

The Northern Lights Camp project is one of our many efforts based in North America.

Project Overview

Volunteers will construct a new cafeteria building for the camp. They will help with the wood framing, plumbing, and electrical.

Accommodations

There is space for 30 volunteers on this project. Volunteers who request housing will stay in camp cabins. Thirty volunteers can be accommodated through cabins. There are also 15 RV sites with partial hookups available for those wishing to bring their RV. If housing is limited, priority will be given to volunteers who can participate the entire length of the project.

The only costs to volunteers are the travel expenses to and from Northern Lights Camp. Three vegetarian meals a day, accident insurance, and housing are provided by the camp in exchange for your volunteer labor.

AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route was to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance would start and end on the Maranatha project dates based on the project application.

Insurance coverage depends on location of the project and home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

Registration

To register, please complete the online application at maranatha.org, or call to register over the phone. Thirty volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
