Maranatha Volunteers International is a not-for-profit 501 (c)(3) organization headquartered in Roseville, California, mobilizing volunteers to participate in humanitarian services. Our mission is to spread the Gospel throughout the world as we build people through the construction of urgently-needed buildings.

Each year, Maranatha works with organizations, internationally and in the United States, to provide volunteer labor for various construction and renovation projects. The Redwood Area Camp (CA) Project is one of our many efforts based in North America.

Project Overview

The first meeting of the Redwood Area Camp was held on a summer weekend in 1951 in Redwood Creek. Since then, Redwood Area Camp has expanded to 100 acres of land and about 1,700 campsites. It says in the Bible that the "trees of the field shall clap their hands." Every year at campmeeting, attendees get a taste of just that. Some of the tallest trees in the world grow in Humboldt County. This area also features six rivers, one of which is on the border of the camp. Storage facilities, vehicles, trailers, and other improvements make the Redwood Area Camp one of the nicest locations where Seventh-day Adventists from Northern California and the western United States can gather together and worship in God's sacred out-of-doors. Volunteers are needed to help with wood cutting, painting, renovations, and general cleanup. Please consider joining this project before this year's camp meeting!

AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route was to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance would start and end on the Maranatha project dates based on the project application.

Insurance coverage depends on location of the project and home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

Safety

Maranatha has a very high safety record on the worksite. This, is in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

Registration

To register, please complete the online application at maranatha.org, or call to register over the phone. Fifty volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
