

Lake City Junior Academy Project

Information Packet

Location: Coeur d'Alene, Idaho, USA

Dates: July 29 – Aug. 20, 2019

(July 29 is the arrival date, first work day will be July 30)

Maranatha Volunteers International is a nonprofit, Christian organization focused on providing churches, schools, and water wells around the world. A portion of the projects utilize volunteers on short-term mission trips to complete the work. Annually, we mobilize more than 2,000 volunteers to assist with various service opportunities and partner with thousands of donors to fundraise for international projects. Maranatha's mission is to spread the Gospel throughout the world as we build people through the construction of urgently-needed buildings.

In North America, Maranatha aids by recruiting and organizing volunteer labor for construction and renovations projects at schools, churches, and camps.

The Lake City Junior Academy (ID) Project is one of our many efforts based in North America.

Project Overview

Lake City Junior Academy (LCJA) was founded in 1909 and is accredited for Preschool through 10th grade. Student's score on average 2.5 grades above grade level. They currently have 150 students and are operating at maximum capacity, as well as turning away students. With Maranatha's assistance in building a 14,500 sq ft wood frame building, LCJA will be able to accommodate 12 more classrooms. This will assist in their plans to expand their campus and offer a 9-12 grade program in collaboration with Upper Columbia Academy. Currently the 9-12 grades meet in the church.

Departure

Expenses

The only costs to volunteers are the travel expenses to and from Coeur d'Alene, Idaho. Three vegetarian meals a day, accident insurance, and housing are provided by the Lake City Junior Academy in exchange for your volunteer labor.

Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form, and we will do our best to accommodate your needs. However, we cannot meet all special requests. If your diet is restrictive (vegan, gluten-free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

About Coeur d'Alene, Idaho

Attractions

Coeur d'Alene is a beautiful city with lots of lakes, mountains and tons of outdoor activities. Camp MiVoden is about 45 minutes away. There is also a theme park called Silverwood about 30 minutes away.

Volunteers may choose to arrive early or leave a few days after the project concludes in order to appreciate local sights and activities. Volunteers are responsible for making their own arrangements, including food and lodging, for all days outside of the project dates.

Weather

Average temperatures for Coeur d'Alene, Idaho during July average in the high 70's to low 50's Fahrenheit but plan for just about any type of weather. Of course, current weather conditions can change at any time, so we recommend that you check the 10-day forecast before leaving to ensure that you are prepared for the most current weather conditions in Coeur d'Alene, Idaho

Travel Information

Flights

Once you have registered and been confirmed, if you are flying to the project, please plan to arrive on July 29 and depart on August 20; the closest airport is Spokane International (GEG), a 40 minute drive from the school. Please book flights that come in before 6 p.m. on the arrival date. If you need to fly in later, or outside the project dates, please check with the Maranatha office to confirm that your arrival time can be accommodated.

If you will be leaving before the project end date, please be aware that you may be responsible for arranging your own transportation back to the airport. Please send your itinerary to volunteer@maranatha.org so pick up arrangements can be made.

AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route was to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance would start and end on the Maranatha project dates based on the project application.

Insurance coverage depends on location of the project and home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

Registration

To register, please complete the online application at maranatha.org, or call to register over the phone. 45 volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
