

## Sweet Lime Soda

Sweet lime soda is a simple drink Indians prepare to help them cool off on the hot days that are so common there. It is sold on street corners in the cities and served in homes throughout the country.

### Ingredients (serves three)

2 limes

Sugar, to taste

1.5 cups of water

1.5 cups of club soda

Optional: 1 teaspoon of cumin powder

Black salt or rock salt, to taste

Mint leaves

Ice cubes

### Instructions

Slice limes into halves and squeeze the juice into a small bowl.

Add the water and as much sugar as desired. Stir together until the sugar dissolves.

Mix in cumin powder and black salt, to taste.

Pour club soda into a glass, and mix in the lime syrup, to taste.

Add ice cubes and garnish with mint leaves.
