Maranatha Volunteers International is a not-for-profit 501 (c)(3) organization headquartered in Roseville, California, mobilizing volunteers to participate in humanitarian services. Our mission is to spread the Gospel throughout the world as we help people through the construction of urgently-needed buildings. Each year, Maranatha works with organizations, internationally and in North America, to provide volunteer labor for various construction or renovation projects. The Camp Frenda (ON) Project is one of our many efforts based in North America.

Project Overview

Camp Frenda is one of the oldest continuously-operating camps in Ontario. Camp Frenda is a Christian camp, owned and supported by the Seventh-day Adventist Church, that welcomes people to life changing experiences. It is located in the heart of the Muskoka vacation land and is approximately 200 km from Toronto. Camping authorities recognize Camp Frenda as one of the finest-equipped camps in Canada.

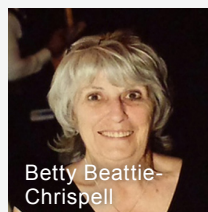

On this project volunteers will help with structural repair to their staff lounge, felling trees (processing into firewood), and helping with other general maintenance. There is a lot to be accomplished, and Maranatha volunteers will be a huge blessing to Camp Frenda.

AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route is to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance would start and end on the Maranatha project dates based on the project application.

The policy that volunteers are covered on depend on location of project and home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear sturdy shoes and appropriate safety equipment for the work tasks. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

Registration

To register, please complete the online application at maranatha.org, or call to register over the phone. Forty volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
