

# Pacific Union College (CA) Project

## Information Packet

**Location: Angwin, California, USA**

**Dates: Aug. 3 – 20, 2020**

(arrival day, Aug. 3, and departure date Aug. 20)

Maranatha Volunteers International is a nonprofit, Christian organization focused on providing churches, schools, and water wells around the world. A portion of the projects utilize volunteers on short-term mission trips to complete the work. Annually, we mobilize more than 2,000 volunteers to assist with various service opportunities and partner with thousands of donors to fundraise for international projects. Maranatha's mission is to spread the Gospel throughout the world as we build people through the construction of urgently-needed buildings.

In North America, Maranatha aids by recruiting and organizing volunteer labor for construction and renovation projects at schools, churches, and camps.

The Pacific Union College (CA) Project is one of our many efforts based in North America.

## Project Overview

Volunteers on this project will help with the men's dorm renovations. This includes paint, flooring, electrical, cabinet rebuilding and plumbing. Lots of skill needed, and helpers too!

### Accommodations

There is space for 100 volunteers on this project. Volunteers who request housing will stay in dorm rooms. 100 volunteers can be accommodated through local housing. There are also some sites with partial hookups (water and electric) available for those wishing to bring their RV.

### Expenses

The only costs to volunteers are the travel expenses to and from Pacific Union College. Three vegetarian meals a day, accident insurance, and local housing are provided by Pacific Union College in exchange for your volunteer labor.

## Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form, and we will do our best to accommodate your needs. However, we cannot meet all special requests. If your diet is restrictive (vegan, gluten-free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

## About Angwin, California

### Attractions

Angwin is located in Northern California's Napa County wine country. There are plenty of restaurants, shopping, antiquing, and farms to visit. Outdoor recreation and fun activities include hiking trails, walking through redwood forests, and driving to the Coast to go whale watching, bird watching, or rock climbing. San Francisco, Napa Valley, and Mendocino are all within a day's drive.

Volunteers may choose to arrive early or leave a few days after the project concludes in order to appreciate local sights and activities. Volunteers are responsible for making their own arrangements, including food and lodging, for all days outside of the project dates.

### Weather

Average temperatures for Angwin during August and September average in the low 50's to mid 80's Fahrenheit. Of course, current weather conditions can change at any time, so we recommend that you check the 10-day forecast before leaving to ensure that you are prepared for the most current weather conditions in Angwin, California.

## Travel Information

### Flights

Once you have registered and been confirmed, if you are flying to the project, please plan to arrive on August 3 and depart on August 20; the closest airport is Sacramento International Airport (SMF), 75 miles from PUC. Please book flights that come in before 6 p.m. on the arrival date. If you need to fly in later, or outside the project dates, please check with the Maranatha office to confirm that your arrival time can be accommodated.

If you will be leaving before the project end date, please be aware that you may be responsible for arranging your own transportation back to the airport. Please send your itinerary to [volunteer@maranatha.org](mailto:volunteer@maranatha.org) so pick up arrangements can be made.

### AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route was to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance would start and end on the Maranatha project dates based on the project application.

Insurance coverage depends on location of the project and home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

## Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

## Registration

To register, please complete the online application at [maranatha.org](http://maranatha.org), or call to register over the phone. 100 volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
