Maranatha Volunteers International is a nonprofit, Christian organization focused on providing churches, schools, and water wells around the world. A portion of the projects utilize volunteers on short-term mission trips to complete the work. Annually, we mobilize more than 2,000 volunteers to assist with various service opportunities and partner with thousands of donors to fundraise for international projects. Maranatha's mission is to spread the Gospel throughout the world as we build people through the construction of urgently needed buildings.

In North America, Maranatha aids by recruiting and organizing volunteer labor for construction and renovation projects at schools, churches, and camps.

The Paradise Seventh-day Adventist Church Community Center project is one of our many efforts based in North America.

Project Overview

Over a year ago, the Camp Fire swept over Paradise, destroying most of the town and killing 86 people. Today, people have moved back onto their properties but are living in RVs and campers while they wait through the process to rebuild their homes. One of the many needs is a place for people to store their belongings. In November 2019, nearly 400 volunteers helped to build 200 sheds for the victims of the fire. This spring, we'll be building 250 more sheds, from April 12 - May 1, 2020, and we need your help. Join Maranatha for this second project in Paradise, California, to meet an urgent need in this community.

The Paradise Adventist Church created a community outreach initiative to build 250 storage sheds, which will be 10 x 12 feet, for residents in need. They asked Maranatha to help by constructing the sheds with our volunteers.

Accommodations

There is space for 75 volunteers on this project. Due to the lack of infrastructure in the surrounding community, volunteers who have requested housing will stay in the Paradise Adventist School classrooms. There is plenty of parking for RVs on the school campus. There is drinking water and a dump site, if you have a generator please be prepared to use it.

Expenses

The only costs to volunteers are the travel expenses to and from Paradise Adventist School. Three vegetarian meals a day, accident insurance, and housing (in classrooms) are provided by the Paradise Adventist Church in exchange for your volunteer labor.

Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form, and we will do our best to accommodate your needs. However, we cannot meet all special requests. If your diet is restrictive (vegan, gluten-free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

About Paradise, California

AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route was to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance would start and end on the Maranatha project dates based on the project application.

Insurance coverage depends on location of the project and home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Thank you for putting safety first!

Registration

To register, please complete the online application at maranatha.org, or call to register over the phone. 65 volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
