## PROJECT OVERVIEW

Volunteers on this project will be one of the many groups to work at the La Tinguña Adventist School in a suburb of Ica, Peru. The large Education and Evangelism Center will have eight classrooms, a large auditorium/gymnasium, administrative offices, and bathrooms.

### La Tinguña Adventist School

This Adventist congregation started meeting in this location in 1975, and since that day, they have prayed tirelessly for a school where their children can receive an education rooted in Adventist Christian values. They have struggled to raise the money to build a campus, and they have suffered many disappointments over the years. In 2019, Maranatha agreed to build them a school! And in October 2019, they tore down their existing church to make room for the new school. The congregation has truly stepped out in faith.

**Construction:** Volunteers will lay block on one portion of the large building and possibly lay sidewalks.

**Outreach:** This project may include children's ministry or health outreach programs depending on the number of skilled and interested volunteers who register.

\*Outreach activities will be dependent on any physical distancing protocols required or recommended in this region of Peru at the time.

### Accommodations

Our group will stay at the Casa Sur Hotel in Ica. The group will eat meals and have worship in the dining room. Individuals should plan on staying in multiple-occupancy rooms with a roommate. If you would like to room with someone in particular, please let us know prior to the final deadline of the project.

## COVID-19

Maranatha is moving forward on preparations for this mission trip in faith that the project will take place as planned. However, there is always a chance that situations will change as countries adapt to the COVID-19 pandemic. If you are planning on participating, please go ahead and register. However, you may consider waiting to book flight itineraries or choose to purchase additional flight insurance to minimize potential risks, such as schedule adjustments or flight cancellations. We will update you if the status of this project changes.

## MARANATHA IN PERU

*Maranatha is a responsive organization that works with the Seventh-day Adventist Church; all efforts are by invitation from local leadership.*

Between 2004 and 2006, Maranatha constructed nearly 100 churches in Peru to provide places of worship for the increasing number of congregations. As Seventh-day Adventist membership continued to grow in the country, the Adventist Church leadership in Peru asked Maranatha to return in late 2019 to start a new effort to build more churches and schools.

## Excursions

Maranatha projects usually include a short excursion and may offer an extended excursion as an optional add-on. If you choose to add any other excursions without Maranatha, please schedule them for before or after the project dates, so you won't miss out on any of the Maranatha experience.

### Included Excursion - Huacachina

One afternoon the group will break from work early and travel approximately 20 minutes outside of Ica to a small oasis nestled among the sand dunes, called Huacachina. Volunteers will have the opportunity to take a dune buggy ride up the sand dune where they can simply enjoy the views. The more adventurous can try their hand at sand boarding down the dune; those who choose not to ride the dune buggies can rent paddle boats to enjoy the oasis. There are several shops surrounding the water that have souvenirs.

### Optional Excursion - Machu Picchu - \$525

Machu Picchu is one of Peru's most popular tourist destinations, located high in the Andes Mountains. The ruins of this ancient Incan city have been voted one of the "New" Seven Wonders of the World, and it is a UNESCO World Heritage Site. It was originally built in 1450 as an estate for the Incan emperor, but it was abandoned during the Spanish Conquest. The ruins are truly a sight to behold with the city set on a grassy plateau and the peak of Huayna Picchu behind it.

This excursion is an additional \$525 per person. The fee covers double-occupancy accommodations for two nights, all meals, ground transportation, insurance, and all entrance fees and tour guides. Flights are not included; see the travel information section below.

Deadline: Non-refundable train tickets must be purchased on October 4. On this date, \$250 becomes non-refundable. Please include passport copies with your registration.

# ABOUT PERU

- Peru is located on the western coast of South America.
- The country has three distinct regions: the coastal desert, the Andes Mountain highlands, and the tropical Amazon basin.
- The Incan Empire ruled the region until the 1500s when Spanish conquistadors invaded.
- The Quechua and Aymara people are two cultural people groups in Peru that descended from the Incas.
- Peru is currently the 48th largest economy in the world.
- The Seventh-day Adventist message came into Peru in the early 1900s.

## Foreign Cash

Peru uses the Sol and has an exchange rate of approximately 3 Soles to \$1 USD (Nov 2020). This exchange can be made at the airport, or the project coordinator can also exchange money for you at a flat rate in increments of \$10. Many countries offer better exchange rates for larger bills (\$50s and 100s), so if you bring small bills you might get a different exchange rate. Any cash you bring should be in new, unmarked, and unturned bills.

While some establishments accept credit and debit cards, most small shops only accept cash. It is wise to let your credit card company know the dates you will be traveling so they don't block your card when you use it in a foreign country.

## Tipping

Your project coordinator will take care of paying guide tips on group excursions. If you feel like someone (guide, hotel staff, etc) has provided excellent service during your trip, you are more than welcome to show your gratitude with additional tips. If you have any questions during the project about whether or not tipping would be appropriate, your project coordinator or Maranatha in-country support staff can help you understand the local culture.

## Electricity

- **Current:** 220-240 volt AC
- **Outlet:** Type A and C

Non-dual-voltage appliances will need a voltage converter in addition to the plug adapter. Grounded plugs and plugs similar to Type A, but with prongs of different height (standard in the U.S), will not usually work in Peru.

## ESTIMATE OF ADDITIONAL COSTS

- Flight to Lima, Peru: \$800-1200
- Passport: \$130 or \$110 for renewal
- Optional Machu Picchu Excursion: \$500
- Domestic Flight (Optional Excursion): \$100-200
- COVID-19 PCR Test: Depends on insurance coverage

## FACTS AND FIGURES

**Capital:** Lima

**Population:** 31.1 million (July 2018)

**Language:** Spanish, Quechua, Aymara

**Climate:** Varies by region and altitude. Dry in the west, tropical in the east, temperate to frigid in the Andes.

**Religion:** Catholic 60%, Protestant 15%, Unspecified 21%

**Currency:** Peruvian Sol

## Weather

Weather patterns can change suddenly, so Maranatha recommends that volunteers check the 10-day forecast for the project area before traveling.

**Ica** | Ica has mild, dry weather year-round. Expect temperatures in the mid 60s to low 80s. Ica rarely experiences any precipitation.

**Cusco** | Expect cool temperatures in the upper 30s and low 60s during the day and dipping into the low 30s at night. It can be windy up in the mountains. It is also the middle of the rainy season, so wet weather is common.

## TRAVEL INFORMATION

Please complete the online registration and wait for confirmation from Maranatha before purchasing your airfare.

If this is your first time traveling abroad (or you need a refresher course), you may want to check out [Maranatha's International Traveler Guide](#) (available at [maranatha.org](http://maranatha.org) under volunteer resources), which shares tips on everything from booking travel to communicating with those at home.

## Flights

Please be careful to follow these guidelines when booking your travel. If you arrive or depart outside these posted windows, you may have long wait times at the airport or be responsible for paying the additional transportation costs for your individual airport transfer. If you have questions about your itinerary, please contact Maranatha prior to booking to avoid any additional charges.

For those joining the excursion, sometimes booking the domestic ticket and your international flights together can be difficult. A travel agent can help you look at all flight options. It might be more cost effective to book a round trip ticket to and from Lima and book your domestic tickets separately. Maranatha recommends leaving Cusco before 6:00 p.m. as later flights are often cancelled if the weather is stormy. Make sure your return itinerary has a long enough layover in Lima to pick up your bags and check in for your international flight home.

## Project Only

**Arrive:** Lima, Peru (LIM) Thursday, November 4, between 5:30 a.m. and 8:00 a.m. OR between 6:00 p.m. and 1:45 a.m. (on the 5th)

*There is no hotel planned for the night of the 14th.*

## Optional Excursion

**Arrive:** Lima, Peru (LIM) Thursday, November 4, between 5:30 a.m. and 8:00 a.m. OR between 6:00 p.m. and 1:45 a.m. (on the 5th)

**Depart:** Cusco, Peru (CUZ) Tuesday, November 16, after 5:00 p.m.

## Arriving Early or Staying Late?

Some of you may choose to extend your travel before or after the project. Since our volunteers bring so much to the shared experience of the project, we ask that you participate in the entirety of the Maranatha project (during the advertised dates). Any additional travel outside of the Maranatha project should be scheduled for before or after the project dates to avoid mid-project interruptions. If you choose to add additional travel, you are responsible for making your own hotel and transportation arrangements for the time outside of the arrival and departure windows listed above. If you have any questions, feel free to call Maranatha at (916) 774-7700.

## Entry Requirements

Below are the requirements for U.S. and Canadian citizens. If you hold a passport from another country, please consult the Peruvian embassy or consulate in your home country for entrance requirements.

**Passport** | All passports must be valid for at least six months from the dates of intended travel (May 16, 2022). If you do not have a passport, United States (U.S.) citizens can apply at any U.S. post office or online at <http://travel.state.gov>. Canadian citizens can apply online at [www.passport.gc.ca](http://www.passport.gc.ca). It can take up to two months to complete the entire process, so plan accordingly to give yourself enough time to receive your passport.

**COVID Requirements** | As of August, 2021, U.S. and Canadian travelers to Peru must complete the following requirements. Requirements could change at any time. Volunteers should check with their airlines prior to travel, and Maranatha will send updates as more information becomes available.

- Negative COVID-19 PCR test 72 hours prior to boarding flight to Peru OR a negative COVID-19 antigen test 24 hours prior to boarding flight to Peru
- Peru Ministry of Health affidavit form with geolocation authorization (this link will be sent to you)
- Negative COVID-19 PCR test prior to departure for home
- Mask usage in airports and public locations

## Traveling With Minors

**Birth Certificate** | Countries continue to make efforts to prevent child-trafficking, so some hotels and airports require proof of parent-child relationships, even if your child is a teenager. Maranatha recommends guardians bring a copy of their child's birth certificate and any other documents (guardianship papers, etc.) to answer these questions.

**Parental Consent Form** | If a legal minor (under the age of 18 on the date you depart) is traveling without both parents or legal guardians, Maranatha requires a parental consent form.

This form confirms that both guardians have consented to their child leaving the country with an appointed person and Maranatha. It also gives Maranatha permission to treat the child medically in case of an emergency.

You can find this form online at [www.maranatha.org/resources](http://www.maranatha.org/resources). Mail one notarized original to Maranatha and keep another notarized original with you as you travel. The form will ask for two appointees. The first will be the guardian traveling with the minor. The other will be Stacy Peterson, Maranatha's project coordinator.

### Special Circumstances

- **Divorced Parents:** Both parents must still sign the form. If one parent has sole legal and physical custody, provide a copy of the divorce decree stating such.
- **Deceased Parent:** Provide copy of death certificate.
- **Legal Guardians:** Provide a copy of guardianship paperwork.
- **Other Situations:** Contact Maranatha for guidance.

## Luggage Considerations

Please check with your airline or travel agent for luggage weight and piece allowances for each portion of your itinerary. In addition to your checked bags, airlines usually allow one carry-on item, as well as a personal item such as a purse or small day pack. However, each airline is different, so read through your airlines baggage policy before you head to the airport.

Sometimes bags are delayed, so please bring your personal medications and a day's worth of clothes and toiletries in your carry-on luggage, just in case. We recommend that you keep your carry-on luggage with you; do not "gate-check" your bags, especially if the bags have electronics or camera gear.

# HEALTH AND SAFETY

## Travel Safety

Understanding the culture and educating yourself about travel in Peru is the best way to keep safe. Below are a few tips for you to consider.

- Leave valuables (expensive or sentimental) at home.
- Dress conservatively; a flashy wardrobe attracts more attention.
- Use a money belt or concealed pouch for passports and cash. Watch your wallet.
- Don't leave valuables unattended in open sight.
- Avoid marginal areas of cities, dark alleys, and crowds. Use caution and keep moving if strangers, including vendors, approach you on the street.
- Don't travel alone or at night.

## Worksite Safety

Maranatha has a very high safety record on the worksite. The safety equipment you'll need will depend on the project scope and what job you do (see packing list). Hard hats and closed-toe shoes are required on all job sites.

## Short-term Travel Insurance

All volunteers will be covered by a short-term insurance policy from the time they leave their home country until the time they arrive back in their home country. The policy does not have a deductible and covers accidents and illnesses. As with all insurances, some exclusions apply. Maranatha does not carry or maintain health, medical, workers compensation, or disability insurance coverage. The coverage amounts and details can be found at [www.maranatha.org/insurance](http://www.maranatha.org/insurance).

For volunteers extending their travel before or after a project, the insurance will start and end with the Maranatha project dates. If you would like to extend your coverage for your extra travel at your own expense, contact Maranatha.

You will receive a brochure, prior to your project, listing the policy number and contact information should you need assistance during your travel.

### CONSTRUCTION SITE SAFETY RULES

- Closed-toe Shoes Required
- Personal Safety Items
  - Eye Protection
  - Ear Protection

MARANATHA VOLUNTEERS INTERNATIONAL

## Medical Recommendations

While Maranatha does everything in our power to ensure the safety of our volunteers, it is also advisable to do your own research when it comes to the medical precautions. We recommend that you schedule a consultation with your physician or a travel clinic to discuss the medical risks in Peru and the ways to minimize them. If at any time during the project you start to feel sick, speak with the project medical professional and the project leader as soon as possible.

## COVID-19 and Other Viruses

This Maranatha project will follow the COVID-19 mandates of local authorities, so masks and social distancing could be required in certain situations during the project (i.e. public locations, gatherings, etc.) depending on the current mandates at the time. We thank you in advance for complying with these requirements. However, if there are no government mandates for masks and social distancing, these measures will not be enforced during the project activities. Volunteers are not required to be vaccinated. We encourage volunteers to take the precautions that they feel most comfortable with and make decisions on whether they are comfortable joining this project.

When traveling, you may be exposed to viruses, such as the recent COVID-19 virus. We recommend a few simple tips to minimize your risk:

- Practice social distancing by keeping a distance of 6 feet between you and others when possible.
- Wear a face covering over your nose and mouth.
- Consider following the CDC vaccine recommendations.
- Avoid close contact with people who are sick.
- Self-monitor for symptoms such as cough and fever.
- Wash your hands often, with soap and water, for at least 20 seconds.
- If you don't have access to soap and water, use hand sanitizer with at least 60 percent alcohol, rubbing your hands until dry.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Clean and disinfect frequently touched surfaces using disinfectant wipes.
- Wash your hands after shaking hands with others or handling cash.
- Get adequate sleep.
- Drink plenty of purified water.
- Try to eat a well-balanced diet, avoiding sugar.

## Altitude Sickness

Many parts of southwestern Peru are at an elevation above 8,000 feet. Travelers to these high elevations are at risk for altitude sickness. For this project, you will need to sign a consent form as part of the registration process. Visitors should discuss the trip with their personal physician prior to departing. Maranatha has a doctor on call at these high elevations, and an altitude sickness medication will be available. Some ways to minimize symptoms are to eat lightly, move slowly, and not over-exert yourself.

### Symptoms of Altitude Sickness

- Headache
- Dizziness
- Shortness of breath
- Nausea
- Fatigue
- Difficulty sleeping
- Loss of appetite

### High Risk Factors

- Medications
- Lung or heart disease
- Asthma
- Diabetes
- Pregnant

## VACCINES

**Tetanus**  
Required by Maranatha

**COVID-19**  
Recommended by CDC\*

**Typhoid**  
Recommended by CDC

**Hepatitis A**  
Recommended by CDC

*\*Centers for Disease Control and Prevention*

## Mosquitos and Other Insects

Mosquitos and other flying insects can carry a variety of diseases including chikungunya, zika, and dengue. Personal precautions are strongly recommended to lower the risk of being bitten.

Use a bug repellent with a 30-50 percent concentration of DEET.

Wear long sleeves, long pants, and closed-toe shoes when possible.

Avoid areas of standing water.

Avoid spending a lot of time outside during dusk and dawn.

## Food and Water

Food and water safety standards vary greatly from country to country, and we recommend that you exercise caution with the food and water you consume while abroad. Maranatha will provide purified water, but please bring your own reusable water bottle to refill from the large containers.

- Eat only food provided by Maranatha.
- Purchase only commercially packaged snacks, not from street stands.
- Drink only purified water and sealed juices and sodas.
- Do not drink items with ice cubes.
- Do not brush your teeth with tap water, use purified water.

## Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form and will do our best to accommodate your needs. However, on large projects especially, it is harder for our cooks to accommodate special requests. If your diet is very restrictive (vegan, gluten free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

# ADDITIONAL INFORMATION

## Cultural Sensitivity

It's important to enter another culture with respect and understanding of their traditions. Cultural sensitivity also means we will respect Adventist culture in Peru. Adventists in Peru tend to be more conservative than Adventists in the United States and Canada. During the project, we will be sensitive to this by dressing as modestly as possible. Pants and cap sleeves are preferred to shorts and tank tops. For church activities, women will need to have skirts that reach past the knees, and men are expected to wear ties if they are involved in the activities on the platform.

## Maranatha Lifestyle

Each mission trip is a unique experience, and during the project, there is a great need for flexibility. Volunteers on Maranatha projects come from a variety of backgrounds and lifestyles. As we all become one big family for two weeks, we will need to refrain from some of our personal desires and freedoms and adopt the lifestyle of the group.

On all of our projects we ask that volunteers refrain from using alcohol, tobacco, marijuana or other non-prescription drugs during the trip.

Maranatha projects are open to individuals of all faith backgrounds and we ask that all volunteers come into the project with an attitude of respect towards one another. On Maranatha projects, worship services are held on Sabbath (Saturday), and we ask all volunteers to participate in the experience with the group. While we do our best to make provisions to avoid extensive travel or utilizing restaurants on Sabbath, sometimes it is hard to avoid. Please be aware of this and if you have any questions, please speak with your project coordinator.
