

# Project Patch Project

## Information Packet

**Location:** Garden Valley, Idaho

**Dates:** September 23 - October 8, 2021

(arrival date is September 23 and departure date is October 8)

Maranatha Volunteers International is a nonprofit, Christian organization focused on providing churches, schools, and water wells around the world. A portion of the projects utilize volunteers on short-term mission trips to complete the work. Annually, we mobilize more than 2,000 volunteers to assist with various service opportunities and partner with thousands of donors to fundraise for international projects. Maranatha's mission is to spread the Gospel throughout the world as we build people through the construction of urgently-needed buildings.

In North America, Maranatha aids by recruiting and organizing volunteer labor for construction and renovations projects at schools, churches, and camps.

The Project Patch project is one of our many efforts based in North America.

## Project Overview

Project Patch is passionately committed to restoring hope to teens, building thriving families, and empowering supportive communities by operating several youth programs.

Maranatha Volunteers International and Project Patch have a long relationship, which began in the early 1990s. The campus is now 30 years old and it has a few projects they are requested help with. Volunteers will help with siding, trim, caulking, painting and framing. Due to the nature of this school and the community it serves, a background check will be required, complimentary of the school. Due to this requirement by the state (of Idaho), this project is only open to adults over 18.

### Leadership

**Project Coordinators:**

Doug and Melody Wheeler

**Construction Superintendent:** Jon Yarlott

**Local Contact:** Chuck Hagele, Executive Director

### Accommodations

There is space for 30 volunteers on this project. With school in session, indoor lodging is limited beyond 8-10 volunteers. Those who request housing will stay in a multipurpose building, but the school is hoping to arrange more options off-campus. There are also 12 RV sites with partial hookups available for those wishing to bring their RV. There is a lot of space available for tent camping and dry RV sites. If housing is limited, priority will be given to volunteers who can participate the entire length of the project.

## Expenses

The only costs to volunteers are the travel expenses to and from Project Patch. Three vegetarian meals a day, accident insurance, and local housing are provided by Project Patch in exchange for your volunteer labor.

## Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form, and we will do our best to accommodate your needs. However, we cannot meet all special requests. If your diet is restrictive (vegan, gluten-free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

# About Garden Valley

## Attractions

Volunteers may choose to arrive early or leave a few days after the project concludes in order to appreciate local sights and activities. Volunteers are responsible for making their own arrangements, including food and lodging, for all days outside of the project dates.

Garden Valley is a scenic mountain community. There is local hiking, hot springs, fishing and golfing. The Sawtooth Mountains are 82 miles and McCall is about 77 miles away. There are many local rafting companies as well, for those interested in a trip down the Payette River.

## Weather

Average temperatures for Garden Valley are in the low 90's to low 40's Fahrenheit but plan for just about any type of weather. Of course, current weather conditions can change at any time, so we recommend that you check the 10-day forecast before leaving to ensure that you are prepared for the most current weather conditions in Garden Valley, Idaho.

# Travel Information

## Flights

Once you have registered and been confirmed, if you are flying to the project, please plan to arrive on:

### Arrival

Please plan to arrive in Boise Airport (airport code BOI) before 6 pm on September 23.

### Departure

Please plan to depart from Boise Airport (airport code BOI) in the late morning/early afternoon on October 8. Breakfast is our last meal together (7:00 am).

The airport is a 55 minute drive from the school. Please book flights that come in before 6 p.m. on the arrival date. If you need to fly in later, please check with the Maranatha office to confirm that your arrival time can be accommodated. Please send your itinerary to [volunteer@maranatha.org](mailto:volunteer@maranatha.org) so pick up arrangements can be made.

If you will be leaving before the project end date, please be aware that you may be responsible for arranging your own transportation back to the airport. Please send your itinerary to [volunteer@maranatha.org](mailto:volunteer@maranatha.org) so pick up arrangements can be made.

## AIG Insurance Coverage

Maranatha mission projects are construction projects where people can get hurt. It is not possible for Maranatha to analyze everyone's insurance policy to see whether his or her insurance is current and the coverage is in effect at the location of the project. The Maranatha Board of Directors decided that the safest route was to require everyone to be covered by the insurance coverage through Maranatha's carrier. For projects taking place in North America, the cost of this is covered by the hosting organization.

All volunteers will be covered by this insurance policy from the time they depart for the project until they return home. For volunteers who have extended travel by arriving before or staying after a project, the insurance would start and end on the Maranatha project dates based on the project application.

Insurance coverage depends on location of the project and home residency of the volunteer. Both policies are primary policies that do not have a deductible. As with all insurances, exclusions apply. An insurance brochure with the policy information and list of benefits will be sent to you in the confirmation email for this project.

## Safety

Maranatha has a very high safety record on the worksite. This is, in part, because we require everyone on the construction site to wear a hard hat and gloves at all times. Please also wear appropriate safety equipment for the work tasks and wear sturdy shoes. Exercise caution while working on the construction site and be careful when working on or around ladders or scaffolding.

Maranatha requires that every volunteer have a current **Tetanus** vaccine (within the last 10 years).

Thank you for putting safety first!

## Registration

To register, please complete the online application at [maranatha.org](http://maranatha.org), or call to register over the phone. 30 volunteers can be accommodated on this project. Please wait for confirmation from Maranatha before making travel plans.
