PROJECT OVERVIEW

La Caleta 4

La Caleta is a suburb on the eastern side of Santo Domingo. Over the years, Maranatha has built several churches in this neighborhood, and those congregations have continued to grow. This church was born out of the Central Caleta Church in 2017 with 38 members. They started renting a small house from a church member and holding Sabbath services in the main living space. Now they have more people than their rental spot can accommodate. They desire to have their own church building, where they can include all current members and hold community programs and evangelistic meetings with enough space to invite their friends to church!

Construction: Volunteers will lay block walls for the new church. The foundation and steel frame will already be in place because of the work of Maranatha's in-country construction team.

Outreach: The group will reach out through children's ministry, a medical and dental clinic, and health education programs at the nearby public school that will have just started their vacation.

Hacienda Estrella

Hacienda Estrella is further north from Santo Domingo and closer to our lodging. This congregation is composed of Dominicans and Haitians who have migrated to find jobs. The church building was not constructed well, and while this congregation has used it for decades, it has become a danger to the point of possibly being condemned. This threat to the church members' safety inhibits them from inviting others in the neighborhood to worship with them. The members will demolish this structure, and a new church will be built in its place. Our group will put in the foundation with steel reinforcement, and another group will erect the walls.

MARANATHA IN DOMINICAN REPUBLIC

Maranatha is a responsive organization that works with the Seventh-day Adventist Church; all efforts are by invitation from local leadership.

Maranatha's work in the Dominican Republic stretches back to the late 1970s, when volunteers rebuilt churches and homes following a devastating hurricane. In 1992 Maranatha embarked on an ambitious project to build 25 churches in Santo Domingo. More than 1,200 volunteers served in the Dominican Republic over a span of 70 days, and the result changed how Maranatha operated as an organization. Those churches formed daughter churches, and the need for buildings continued. Since then, Maranatha has held two more series of volunteer efforts, one in the early 2000s and one late 2010s. Now, Maranatha returns to once again meet the needs of growing congregations throughout the country.

Construction: Volunteers will put in the foundation for the new Hacienda Estrella Church. This involves tying together steel rebar structures and pouring cement. Installing a firm foundation is vital for a strong church and it serves as a metaphor in our spiritual lives as well.

Outreach: Our group will paint the nearby community service center, inside and outside. This will include preparing—cleaning and patching the walls—as well as applying a much-needed fresh coat of paint.

Children's Activities

Maranatha's Family Projects are designed to be family-friendly and accommodate volunteers of any age. One unique feature of a Family Project is a "day camp" for children ages 12 and under.

Children under five must have a parent with them at all times. Parents with kids ages 5-12 have three options and can vary their decision, day by day.

1. Drop their child off at the day camp for the day while they join other areas of the project.
2. Have their child join the day camp and stay to help with the activities of the day.
3. Keep their child with them throughout the day.

The day camp activities will include a variety of components. Every day will be different.

- **Work** | We'll plan age-appropriate tasks with different work crews on different days.
- **Outreach** | We'll find ways for kids to help with children's ministry programs and other service activities.
- **Play** | We'll schedule time for kids to let loose and have fun, because playtime is an important part of being a kid. If your child doesn't know how to swim, we highly recommend bringing a life jacket or pool floaties for use at the pool at camp.
- **Cultural Experiences** | We'll introduce kids to local customs, such as visiting a chocolate factory, a marketplace, the aquarium, and places of historical significance; this was Christopher Columbus's first stop in the "New World" more than five hundred years ago.

Accommodations

Our group will stay at a Christian-run camp called Fundación Campamento - Brisas de La Ceiba. Volunteers will gather for meals on the first level of the housing area, with group worship in a nearby building.

Families will be roomed together. Individuals should plan on staying in double to quadruple occupancy rooms with at least one roommate. If you would like to room with someone in particular, please let us know prior to the final deadline of the project. At this time single occupancy rooms are not available. Please contact Maranatha to make these arrangements prior to the final deadline.

Excursions

This project includes a short excursion. If you choose to add any other excursions without Maranatha, please schedule them for before or after the project dates, so you won't miss out on any of the Maranatha experience.

Isla Catalina

Isla Catalina is an island located about 1.5 miles from the mainland off the southern coast of the island. The picturesque island has white sand beaches, warm clear water, and palm trees. The group will depart early on Wednesday morning with a box breakfast to eat along the way. We'll stop after about an hour to visit a large cave, and then continue to La Romana. From there, a small catamaran will take us to the island. About halfway to the island the boat will stop off shore at "The Wall" which is a small coral reef where volunteers can snorkel. Masks, snorkels, and fins are provided, but you're also welcome to bring your own equipment. Standard-size life jackets are available as well as adjustable snorkeling belts. The owner says they should fit children above the age of eight. If your child is younger or small for their age, you may consider bringing your own life jacket just in case what the company provides is not what you'd like for the safety of your child.

Once on the island, the group will have a reserved section of beach chairs with some shade trees. Lunch and sodas will be served on the island. You can purchase additional snacks and drinks after that if you choose. And there are opportunities to purchase souvenirs from beach vendors or even enjoy a back massage (an additional cost). After a few hours, the group will return back to the mainland. Back on the mainland we'll take a short ride to a large souvenir store, in case you would like to do some more shopping. After that we'll stop at a modern mall that has a food court. Each participant will be given pesos to purchase the food of their choice. After supper we'll load our buses again and return to camp.

ABOUT THE DOMINICAN REPUBLIC

- The Dominican Republic is located on the Caribbean island of Hispaniola.
- The island was colonized by Spain in the late 1400s, becoming the first European settlement in the Americas. In 1804, Spain ceded the western third of the island to the French, which became Haiti. The remaining land became the Dominican Republic.
- The island is beautiful and 25% of the Dominican Republic's land and shoreline are preserved as national parks and reserves.
- The Dominican Republic has the largest economy in Central America and the Caribbean, fueled by tourism, agriculture, fishing, and mining.
- Merengue, a fast paced music and dance, originated in the Dominican Republic from slaves who worked in the sugar beet fields.
- Baseball is by far the most popular sport throughout the country and many famous players in American baseball leagues come from the Dominican Republic.

Foreign Cash

The Dominican Republic uses the Dominican Peso and has an exchange rate of approximately 52 pesos to \$1 USD (December 2022). This exchange can be made at the airport, either at baggage claim or after you clear customs. Many countries offer better exchange rates for larger bills (\$50s and \$100s), so if you bring small bills you may get a different exchange rate. Any cash you bring should be in newer, unmarked, and untorn bills. The project coordinator will also exchange money for you at a flat rate in increments of \$10 at the even rate of 50 pesos per \$1 USD.

While some establishments accept credit and debit cards, most small shops only accept cash. It is wise to let your credit card company know the dates you will be traveling so they don't block your card when you use it in a foreign country.

Tipping

Your project coordinator will take care of paying guide tips on group excursions. If you feel like someone (excursion or hotel staff, etc.) has provided excellent service during your trip, you are more than welcome to show your gratitude with additional tips. If you have any questions during the project about whether or not tipping would be appropriate, your project coordinator or Maranatha in-country support staff can help you understand the local culture.

Weather

Weather patterns can change suddenly, so Maranatha recommends that volunteers check the 10-day forecast for the project area before traveling.

Santo Domingo | The Dominican Republic enjoys tropical weather year round. Rain showers are common, but usually come in bursts for short periods of time. In June and July you can expect temperatures in the mid 80s and only cooling to low 70s at night. High humidity levels can make these temperatures seem much warmer. Be sure to stay well hydrated.

TRAVEL INFORMATION

Please complete the online registration and wait for confirmation from Maranatha before purchasing your airfare.

If this is your first time traveling abroad (or you need a refresher course), you may want to check out [Maranatha's International Traveler Guide](#) (available at maranatha.org under Volunteer Resources), which shares tips on everything from booking travel to communicating with those at home.

Flights

Please be careful to follow these guidelines when booking your travel. If you arrive or depart outside of these posted windows, you may have long wait times at the airport or be responsible for paying the additional transportation costs for your individual airport transfer. If you have questions about your itinerary, please contact Maranatha prior to booking to avoid any additional charges.

Project Only

Arrive: Santo Domingo, Dominican Republic (SDQ) between 10:00 a.m. and 7:00 p.m. on Thursday, June 22

Depart: Santo Domingo, Dominican Republic (SDQ) between 6:00 a.m. and 6:00 p.m. on Sunday, July 2

Arriving Early or Staying Late?

Some of you may choose to extend your travel before or after the project. Since our volunteers bring so much to the shared experience of the project, we ask that you participate in the entirety of the Maranatha project (during the advertised dates). Any additional travel outside of the Maranatha project should be scheduled for before or after the project dates to avoid mid-project interruptions. If you choose to add additional travel, you are responsible for making your own hotel and transportation arrangements for the time outside of the arrival and departure windows listed above. If you have any questions, feel free to call Maranatha at (916) 774-7700.

Entry Requirements

Below are the requirements for U.S. and Canadian citizens. If you hold a passport from another country, please consult the Indian embassy or consulate in your home country for entrance requirements.

Passport | All passports must be valid for at least six months from the dates of intended travel (January 2, 2024). If you do not have a passport, U.S. citizens can apply at any U.S. post office or online at <http://travel.state.gov>. Canadian citizens can apply online at www.passport.gc.ca. It can take up to two months to complete the entire process, so plan accordingly to give yourself enough time to receive your passport.

Dominican Republic E-Ticket Self-Declaration Form | This form registers your travel, completes your immigration and customs forms, and verifies that you're COVID-19 symptom free at time of travel. You should complete this form within 72 hours of departure: <https://eticket.migracion.gob.do/Auth/TravelRegister>

COVID-19 Requirements | At this time the Dominican Republic does not require COVID-19 vaccination or testing prior to travel. Maranatha will do its best to notify volunteers of requirement updates, but each volunteer is ultimately responsible for knowing and following the COVID-19 requirements at the time of their travel.

Traveling With Minors

Birth Certificate | Countries continue to make efforts to prevent child-trafficking, so some hotels and airports require proof of parent-child relationships, even if your child is a teenager. Maranatha recommends guardians bring a copy of their child's birth certificate and any other documents (guardianship papers etc) to answer these questions.

Parental Consent Form | If a legal minor (under the age of 18 on the date you depart) is traveling without both parents or legal guardians, Maranatha requires a parental consent form. This form confirms that both guardians have consented to their child leaving the country with an appointed person and Maranatha. It also gives Maranatha permission to treat the child medically in case of an emergency.

You can find this form online at www.maranatha.org/resources. Mail one notarized original to Maranatha and keep another notarized original with you as you travel. The form will ask for two appointees. The first will be the guardian traveling with the minor. The other will be Stephen Case, Maranatha's project coordinator.

Special Circumstances

Divorced Parents: Both parents must still sign the form. If one parent has sole legal and physical custody, provide a copy of the divorce decree stating as such.

Deceased Parent: Provide copy of death certificate.

Legal Guardians: Provide a copy of guardianship paperwork.

Other Situations: Contact Maranatha for guidance.

Luggage Considerations

Please check with your airline or travel agent for luggage weight and piece allowances for each portion of your itinerary. Domestic flights often have tighter restrictions. In addition to your checked bags, airlines usually allow one carry-on item, as well as a personal item such as a purse or small day pack. However, each airline is different, so read through your airline's baggage policy before you head to the airport.

Sometimes bags are delayed, so please bring your personal medications and a day's worth of clothes and toiletries in your carry-on luggage, just in case. We recommend that you keep your carry-on luggage with you; do not "gate-check" your bags, especially if the bags have electronics or camera gear.

HEALTH AND SAFETY

Travel Safety

Understanding the culture and educating yourself about travel in the Dominican Republic is the best way to keep safe. Below are a few tips for you to consider.

- Leave valuables (expensive or sentimental) at home.
- Dress conservatively; a flashy wardrobe attracts more attention.
- Use a money belt or concealed pouch for passports and cash. Watch your wallet.
- Don't leave valuables unattended in open sight.
- Avoid marginal areas of cities, dark alleys, and crowds. Use caution and keep moving if strangers, including vendors, approach you on the street.
- Don't travel alone or at night.

Worksite Safety

Maranatha has a very high safety record on the worksite. The safety equipment you'll need will depend on the project scope and what job you do (see packing list). Hard hats and closed-toe shoes are required on all job sites.

Short Term Travel Insurance

All volunteers will be covered by a short-term insurance policy from the time they leave their home country until the time they arrive back in their home country. The policy does not have a deductible and covers accidents and illnesses. As with all insurances, some exclusions apply. Maranatha does not carry or maintain health, medical, workers compensation, or disability insurance coverage. The coverage amounts and details can be found at www.maranatha.org/insurance.

For volunteers extending their travel before or after a project, the insurance will start and end with the Maranatha project dates. If you would like to extend your coverage for your extra travel at your own expense, contact Maranatha.

You will receive a brochure, prior to your project, listing the policy number and contact information for assistance or emergencies during your travel.

Medical Recommendations

While Maranatha does everything in our power to ensure the safety of our volunteers, it is also advisable to do your own research when it comes to the medical precautions. We recommend that you schedule a consultation with your physician or a travel clinic to discuss the medical risks in the Dominican Republic and the ways to minimize them. If at any time during the project you start to feel sick, speak with the project medical professional and the project leader as soon as possible.

COVID-19 and Other Viruses

When traveling you may be exposed to viruses, such as the recent COVID-19 virus.

- Vaccination and Testing: Vaccination and pre-travel testing is not required by Maranatha nor the Dominican Republic.
- Masks: Face masks may be required in public settings in the Dominican Republic (on planes, buses, excursion activities, church services, and stores). During Maranatha group-only activities (construction work, worship, and meals), masks are recommended, but are not required unless circumstances change due to local requirements or potential group exposure.
- Symptoms: If you start to feel ill during the project, please speak with the project coordinator as soon as possible. Symptomatic individuals may be asked to test, isolate, and/or wear a mask. This may result in you missing parts of the project or excursion experience. The rest of the group may be requested to wear masks.

We recommend a few simple tips to minimize your risk of getting sick:

- Wash your hands often, with soap, for at least 20 seconds, especially after shaking hands or handling cash.
- If you don't have access to soap and water, use hand sanitizer often.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Clean and disinfect frequently touched surfaces using disinfectant wipes.
- Wear a face covering over your nose and mouth.
- Consider following the CDC vaccine recommendations.
- Get adequate sleep.
- Drink plenty of purified water.

Malaria

According to the Centers for Disease Control and Prevention (CDC), Santo Domingo province is considered to be at risk for malaria. There are different oral medications that can lower your risk of contracting malaria. You will need a prescription and each has different side effects and dosages, so speak with a doctor.

Mosquitos and Other Insects

Mosquitos and other flying insects can carry a variety of diseases including malaria, chikungunya, zika, and dengue. Personal precautions are strongly recommended to lower the risk of being bitten.

- Use a bug repellent with a 30-50% concentration of DEET.
- Wear long sleeves, long pants, and closed-toe shoes when possible.
- Avoid areas of standing water.
- Avoid spending a lot of time outside during dusk and dawn.

Food and Water

Food and water safety standards vary greatly from country to country, and we recommend that you exercise caution with the food and water you consume while abroad. Maranatha will provide purified water.

Eat only food provided by Maranatha.

- Purchase only commercially packaged snacks, not from street stands.
- Drink only purified water and sealed juices and sodas.
- Do not drink items with ice cubes.
- Do not brush your teeth with tap water; use purified water.

Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form and will do our best to accommodate your needs. However, on large projects especially, it is harder for our cooks to accommodate special requests. If your diet is very restrictive (vegan, gluten free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

ADDITIONAL INFORMATION

Cultural Sensitivity

It's important to enter another culture with respect and understanding of their traditions. Cultural sensitivity also means we will respect Adventist culture in the Dominican Republic. Adventists in the DR tend to be more conservative than Adventists in the United States and Canada. During the project, we will be sensitive to this by dressing as modestly as possible. Pants and cap sleeves are preferred to shorts and tank tops. For church activities, women will need to have skirts that reach past the knees, and men are expected to wear ties if they are involved in the activities on the platform. Please be respectful as we observe their customs and visit their homes. Feel free to ask questions and rely on leaders to know what is appropriate or not. Out of respect we request that you ask people for permission before taking photos or videos of them.

Maranatha Lifestyle

Each mission trip is a unique experience, and during the project, there is a great need for flexibility. Volunteers on Maranatha projects come from a variety of backgrounds and lifestyles. As we all become one big family for two weeks, we will need to refrain from some of our personal desires and freedoms and adopt the lifestyle of the group.

On all of our projects we ask that volunteers refrain from using alcohol, tobacco, marijuana or other non-prescription drugs during the trip.

Maranatha projects are open to individuals of all faith backgrounds, and we ask that all volunteers come into the project with an attitude of respect toward one another. During this trip we emphasize service opportunities that grow faith in God. On Maranatha projects, worship services are held on Sabbath (Saturday), and we ask all volunteers to participate in the experience with the group. While we do our best to make provisions to avoid extensive travel or utilizing restaurants on Sabbath, sometimes it is hard to avoid. Please be aware of this and if you have any questions, please speak with your project coordinator.
