## PROJECT OVERVIEW

Volunteers on this project will work in Pisac, a village in southern Peru's Sacred Valley region. The Matinga congregation is small, but committed. They obtained a small piece of land and eventually constructed a small room on the back portion of the property. As members joined the church, the congregation quickly outgrew their space, and many people didn't even recognize the building as a church because it looked like all the other buildings in the neighborhood. Maranatha agreed to build a new church at the front of their property, and the members will keep the old building to use as storage. There are no churches in the neighborhood, and they believe a new church could become the primary place of worship for the entire community.

**Construction:** Volunteers will lay the block walls for the new church.

**Outreach:** This project may include children's programs, food ministry, or health education programs depending on the number of skilled and interested volunteers who register.

\*All outreach activities are subject to change based on needs and desires of the local community and project leadership.

### Children's Activities

Maranatha's Family Projects are designed to be family-friendly and accommodate volunteers of any age. One unique feature of a Family Project is a "day camp" for children ages 12 and under.

Children under five must have a parent with them at all times. Parents with kids ages 5-12 have three options and can vary their decision, day by day.

1. Keep their child with them throughout the day.
2. Have their child join the day camp and stay to help with the activities of the day.
3. Drop their child off at the day camp for the day while they join other areas of the project.

## MARANATHA IN PERU

Maranatha is a responsive organization that works with the Seventh-day Adventist Church; all efforts are by invitation from local leadership.

Between 2004 and 2006, Maranatha constructed nearly 100 churches in Peru to provide places of worship for the increasing number of congregations. As Seventh-day Adventist membership continued to grow in the country, the Adventist Church leadership in Peru asked Maranatha to return in late 2019 to start a new effort to build more churches and schools.

The day camp activities will include a variety of components. Every day will be different.

- **Construction** | We'll plan simple tasks so children can help with the construction.
- **Outreach** | We'll find ways for kids to help with children's ministry programs and other service activities.
- **Play** | We'll schedule time for kids to let loose and have fun, because playtime is an important part of being a kid.
- **Cultural Experiences** | We'll introduce kids to local customs, such as visiting a marketplace, seeing a local workshop, or going to a nearby well to collect water.

## Project Purpose and Flexibility

Short-term mission trips have become a popular way for people to serve others, challenge themselves, grow spiritually, and see unique parts of the world. Most people have many reasons for participating. But Maranatha's mission statement gives the focus for this mission trip: *"Maranatha spreads the Gospel throughout the world by building people through the construction of urgently needed buildings."*

During this trip we will emphasize service opportunities that grow faith in God, capitalize on bonding for each family and the large group, and provide quality work for God, for others, and for one's self. Please take time to reflect on the reasons you're joining this mission trip and what adjustments you might need to make to align with the overall purpose for the trip.

By going on a mission trip, you're putting yourself in a great environment for growth and flexibility that enables you to grow. We will create our plan, but there will also be plenty of surprises thrown our way. Our flexibility will be tested by jet lag, housing adjustments, weather, and last minute schedule changes. If we aren't flexible, we can find things to be miserable; but by being flexible, we can maintain a positive mindset and take advantage of this great opportunity to serve others and improve ourselves.

## Accommodations

Our group will stay at Florencio Casa Hacienda Hotel. This is a historical landmark in Pisac with architectural elements from the 19th century when it was originally built. The group will eat breakfast and dinner in the dining room and have worship in a meeting hall. Each morning volunteers will make sandwiches that will be added to other lunch items in a cooler that will be taken with the group to the job site each day.

Individuals should plan on staying in multiple-occupancy rooms with a roommate. If possible, families will stay together in the same room or can be placed in rooms next to each other. If you would like to room with someone in particular, please let us know prior to the final deadline of the project. At this time, single occupancy is not available.

### Included Excursion - Machu Picchu and Cusco

Machu Picchu is one of Peru's most popular tourist destinations, located high in the Andes Mountains. The ruins of this ancient Inca city have been voted one of the "New" Seven Wonders of the World, and it is a UNESCO World Heritage Site. It was originally built in 1450 as an estate for the Inca emperor, but it was abandoned during the Spanish Conquest. The ruins are truly a sight to behold with the city set on a grassy plateau and the peak of Huayna Picchu behind it.

In Cusco, acknowledged as the historic capital of Peru, volunteers will see that every corner tells a story and every story is captivating. Cusco was the capital of the Inca Empire (13th century – 1532). Currently, Cusco is the most important tourist destination in Peru.

# ABOUT PERU

- Peru is located on the western coast of South America.
- The country has three distinct regions: the coastal desert, the Andes Mountain highlands, and the tropical Amazon basin.
- The Inca Empire ruled the region until the 1500s when Spanish conquistadors invaded.
- The Quechua and Aymara people are two cultural people groups in Peru that descended from the Incas.
- Peru is currently the 48th largest economy in the world.
- The Seventh-day Adventist message came into Peru in the early 1900s.

## Foreign Cash

Peru uses the Sol and has an exchange rate of approximately 3.50 Soles to \$1 USD (July 2023). This exchange can be made at the airport, or the project coordinator can also exchange money for you at a flat rate in increments of \$10. Many countries offer better exchange rates for larger bills (\$50s and 100s), so if you bring small bills you might get a different exchange rate. Any cash you bring should be in new, unmarked, and untorn bills.

While some establishments accept credit and debit cards, most small shops only accept cash. It is wise to let your credit card company know the dates you will be traveling so they don't block your card when you use it in a foreign country.

## Tipping

Your project coordinator will take care of paying guide tips on group excursions. If you feel like someone (guide, hotel staff, etc) has provided excellent service during your trip, you are more than welcome to show your gratitude with additional tips. If you have any questions during the project about whether or not tipping would be appropriate, your project coordinator or Maranatha in-country support staff can help you understand the local culture.

## Electricity

- Current: 220-240 volt AC
- Outlet: Type A and C

Non-dual-voltage appliances will need a voltage converter in addition to the plug adapter. Grounded plugs and plugs similar to Type A, but with prongs of different height (standard in the U.S), will not usually work in Peru.

## FACTS AND FIGURES

**Capital:** Lima

**Population:** 32.2 million (July 2021)

**Language:** Spanish, Quechua, Aymara

**Climate:** Varies by region and altitude. Dry in the west, tropical in the east, temperate to frigid in the Andes.

**Religion:** Catholic 60%, Protestant 15%, Unspecified 21%

**Currency:** Peruvian Sol

## Weather

Weather patterns can change suddenly, so Maranatha recommends that volunteers check the 10-day forecast for the project area before traveling.

**Pisac** | Expect mild weather in December. Temperatures are typically in the 60s and 70s Fahrenheit during the day and drop down to the 40s and 50s at night. Rain showers could occur.

**Cusco (Machu Picchu)** | Expect mild temperatures in the upper 60s and low 70s during the day and in the 30s at night. It can be windy up in the mountains. Rain showers could occur.

## TRAVEL INFORMATION

Please complete the online registration and wait for confirmation from Maranatha before purchasing your airfare.

If this is your first time traveling abroad (or you need a refresher course), you may want to check out Maranatha's [International Traveler Guide](https://maranatha.org) (available at [maranatha.org](https://maranatha.org) under volunteer resources), which shares tips on everything from booking travel to communicating with those at home.

## Flights

Please be careful to follow these guidelines when booking your travel. If you arrive or depart outside these posted windows, you may have long wait times at the airport or be responsible for paying the additional transportation costs for your individual airport transfer. If you have questions about your itinerary, please contact Maranatha prior to booking to avoid any additional charges.

Most itineraries will require a layover in Lima on your way to Cusco. Depending on your itinerary, it could only be a few hours or it could be overnight. The Maranatha project starts in Cusco on December 22, so no hotel arrangements are planned in Lima for the night of the 21st. If you would like a hotel, you will need to make your own arrangements. The Wyndham Costa del Sol and Holiday Inn Lima Airport are both located right outside the airport, and volunteers have stayed here before.

Sometimes booking the domestic ticket and your international flights together can be difficult. A travel agent can help you look at all flight options. Make sure your return itinerary from Cusco has a long enough layover in Lima to pick up your bags and check in for your international flight home.

### Project Only

**Arrive:** Cusco, Peru (airport code CUZ) Friday, December 22

**Depart:** Cusco, Peru (CUZ) Monday, January 1

*Maranatha recommends arriving and leaving Cusco before 6:00 p.m.  
as later flights are often canceled if the weather is stormy.*

## Arriving Early or Staying Late?

Some of you may choose to extend your travel before or after the project. Since our volunteers bring so much to the shared experience of the project, we ask that you participate in the entirety of the Maranatha project (during the advertised dates). Any additional travel outside of the Maranatha project should be scheduled for before or after the project dates to avoid mid-project interruptions. If you choose to add additional travel, you are responsible for making your own hotel and transportation arrangements for the time outside of the arrival and departure windows listed above. If you have any questions, feel free to call Maranatha at (916) 774-7700.

## Entry Requirements

Below are the requirements for U.S. and Canadian citizens. If you hold a passport from another country, please consult the Peruvian embassy or consulate in your home country for entrance requirements.

**Passport** | All passports must be valid for at least six months from the dates of intended travel (June 2, 2024). If you do not have a passport, United States (U.S.) citizens can apply at any U.S. post office or online at <http://travel.state.gov>. Canadian citizens can apply online at <https://travel.gc.ca>. It can take more than two months to complete the entire process, so plan accordingly to give yourself enough time to receive your passport.

## Traveling With Minors

**Birth Certificate** | Countries continue to make efforts to prevent child-trafficking, so some hotels and airports require proof of parent-child relationships, even if your child is a teenager. Maranatha recommends guardians bring a copy of their child's birth certificate and any other documents (guardianship papers etc.) to answer these questions.

**Parental Consent Form** | If a legal minor (under the age of 18 on the date you depart) is traveling without both parents or legal guardians, Maranatha requires a parental consent form. This form confirms that both guardians have consented to their child leaving the country with an appointed person and Maranatha. It also gives Maranatha permission to treat the child medically in case of an emergency.

You can find this form online at [www.maranatha.org/volunteer-opportunities/resources](http://www.maranatha.org/volunteer-opportunities/resources). Mail one notarized original to Maranatha and keep another notarized original with you as you travel. The form will ask for two appointees. The first will be the guardian traveling with the minor. The other will be Christina Lloyd, Maranatha's project coordinator.

### Special Circumstances

**Divorced Parents:** Both parents must still sign the form. If one parent has sole legal and physical custody, provide a copy of the divorce decree stating such.

**Deceased Parent:** Provide a copy of the death certificate.

**Legal Guardians:** Provide a copy of guardianship paperwork.

**Other Situations:** Contact Maranatha for guidance.

## Luggage Considerations

Please check with your airline or travel agent for luggage weight and piece allowances for each portion of your itinerary. In addition to your checked bags, airlines usually allow one carry-on item, as well as a personal item such as a purse or small day pack. However, each airline is different, so read through your airlines baggage policy before you head to the airport.

Sometimes bags are delayed, so please bring your personal medications and a day's worth of clothes and toiletries in your carry-on luggage, just in case. We recommend that you keep your carry-on luggage with you; do not "gate-check" your bags, especially if the bags have electronics or camera gear.

## Worksite Safety

Maranatha has a very high safety record on the worksite. The safety equipment you'll need will depend on the project scope and what job you do (see packing list). Hard hats and closed-toe shoes are required on all job sites.

## Short-term Travel Insurance

All volunteers will be covered by a short-term insurance policy from the time they leave their home country until the time they arrive back in their home country. The policy does not have a deductible and covers accidents and illnesses. As with all insurances, some exclusions apply. Maranatha does not carry or maintain health, medical, workers compensation, or disability insurance coverage. The coverage amounts and details can be found at [www.maranatha.org/insurance](http://www.maranatha.org/insurance).

For volunteers extending their travel before or after a project, the insurance will start and end with the Maranatha project dates. If you would like to extend your coverage for your extra travel at your own expense, contact Maranatha.

You will receive a brochure, prior to your project, listing the policy number and contact information should you need assistance during your travel.

## Medical Recommendations

While Maranatha does everything in our power to ensure the safety of our volunteers, it is also advisable to do your own research when it comes to the medical precautions. We recommend that you schedule a consultation with your physician or a travel clinic to discuss the medical risks in Peru and the ways to minimize them. If at any time during the project you start to feel sick, speak with the project medical professional and the project leader as soon as possible.

## Altitude Sickness

Most of the time in Peru volunteers will be at an elevation above 9,000 feet. Travelers to these high elevations are at risk for altitude sickness. For this project, you will need to sign a consent form as part of the registration process. Visitors should discuss the trip with their personal physician prior to departing. Maranatha has a doctor on call at these high elevations, and an altitude sickness medication will be available. Some ways to minimize symptoms are to eat lightly, move slowly, and not over-exert yourself.

### Symptoms of Altitude Sickness

## Mosquitos and Other Insects

Mosquitos and other flying insects can carry a variety of diseases including chikungunya, zika, and dengue. Personal precautions are strongly recommended to lower the risk of being bitten.

- Use a bug repellent with a 30-50% concentration of DEET.
- Wear long sleeves, long pants, and closed-toe shoes when possible.
- Avoid areas of standing water.
- Avoid spending a lot of time outside during dusk and dawn.

## Food and Water

Food and water safety standards vary greatly from country to country, and we recommend that you exercise caution with the food and water you consume while abroad. Maranatha will provide purified water, but please bring your own reusable water bottle to refill from the large containers.

- Eat only food provided by Maranatha.
- Purchase only commercially packaged snacks, not from street stands.
- Drink only purified water and sealed juices and sodas.
- Do not drink items with ice cubes.
- Do not brush your teeth with tap water, use purified water.

## Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form and will do our best to accommodate your needs. However, on large projects especially, it is harder for our cooks to accommodate special requests. If your diet is very restrictive (vegan, gluten free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

# ADDITIONAL INFORMATION

## Cultural Sensitivity

It's important to enter another culture with respect and understanding of their traditions. Cultural sensitivity also means we will respect Adventist culture in Peru. Adventists in Peru tend to be more conservative than Adventists in the United States and Canada. During the project, we will be sensitive to this by dressing as modestly as possible. Pants and cap sleeves are preferred to shorts and tank tops. For church activities, women will need to have skirts that reach past the knees, and men are expected to wear ties if they are involved in the activities on the platform.

## Maranatha Lifestyle

Each mission trip is a unique experience, and during the project, there is a great need for flexibility. Volunteers on Maranatha projects come from a variety of backgrounds and lifestyles. As we all become one big family for two weeks, we will need to refrain from some of our personal desires and freedoms and adopt the lifestyle of the group.

On all of our projects we ask that volunteers refrain from using alcohol, tobacco, marijuana or other non-prescription drugs during the trip.

Maranatha projects are open to individuals of all faith backgrounds and we ask that all volunteers come into the project with an attitude of respect towards one another. On Maranatha projects, worship services are held on Sabbath (Saturday), and we ask all volunteers to participate in the experience with the group. While we do our best to make provisions to avoid extensive travel or utilizing restaurants on Sabbath, sometimes it is hard to avoid. Please be aware of this and if you have any questions, please speak with your project coordinator.

## HOW TO REGISTER

1. Complete online registration form
2. Check email
