PROJECT OVERVIEW

Ciudad del Cielo School

In the northern part of Santo Domingo, Dominican Republic, there is a neighborhood called Ciudad del Cielo. It is a fast-growing area with 80 Seventh-day Adventist congregations but not a single Adventist school. In fact, there isn't even a Christian school in the area!

The Adventist leadership in the region believes that a school could make a significant impact in the community, not only on the existing membership but on those seeking a values-based education. They were able to purchase a large plot of land but needed help constructing the school.

After much prayer and discussion, Maranatha has started constructing a campus at Ciudad del Cielo, which means "City of Heaven" in Spanish. The school will have a large Education and Evangelism Center, which is already built, and a large church that will hold 500 people, a wall to wrap around the property, and beautiful landscaping.

Ciudad del Cielo is dedicated to Darrell Hardy, Maranatha's late vice president of construction; this was the last project he worked on before he passed away, unexpectedly, in November 2022.

Construction: Volunteers will lay block walls for the new church building. The foundation and steel frame will already be in place, thanks to Maranatha's in-country construction team.

Outreach: Depending on the skills and interest of the group, volunteers can reach out through children's ministry, a medical clinic, and health education programs at nearby public schools and churches.

MARANATHA IN DOMINICAN REPUBLIC

Maranatha is a responsive organization that works with the Seventh-day Adventist Church; all efforts are by invitation from local leadership.

Maranatha's work in the Dominican Republic stretches back to the late 1970s, when volunteers built homes following a devastating hurricane. In 1992 Maranatha embarked on an ambitious project to build 25 churches in Santo Domingo. More than 1,200 volunteers served in the Dominican Republic over a span of 70 days, and the result changed how Maranatha operated as an organization. Those churches formed daughter churches, and the need for buildings continued. Since then, Maranatha has held two more series of volunteer efforts, one in the early 2000s and one in the late 2010s. Now, Maranatha returns to once again meet the needs of growing congregations throughout the country.

Accommodations

Our group will stay at the Renaissance Santo Domingo Hotel. The participation fee is based on double occupancy. If you would like to room with someone in particular, please let us know prior to the final deadline of the project. The hotel has filtered water and ice available. The cost for a single supplement (having a room to yourself) is an additional \$610. Please contact Maranatha to make these arrangements prior to the final deadline.

Excursions

This project includes a short excursion. If you choose to add any other excursions without Maranatha, please schedule them for before or after the project dates, so you won't miss out on any of the Maranatha experience.

Isla Catalina

Isla Catalina is located about 1.5 miles from the mainland. The picturesque island has white sand beaches; warm, clear water; and palm trees. The group will depart early on Wednesday morning with a box breakfast to eat along the way. We'll stop after about an hour to visit a large cave, and then continue to La Romana. From there, a small catamaran will take us to the island. About halfway to the island, the boat will stop off shore at "The Wall," which is a small coral reef where volunteers can snorkel. Masks, snorkels, and fins are provided, but you're also welcome to bring your own equipment. Standard-size life jackets are available, as well as adjustable snorkeling belts. The owner says they should fit children above the age of eight. If your child is younger or small for their age, you may consider bringing your own life jacket for them.

Once on the island, the group will have a reserved section of beach chairs with some shade trees. Lunch and sodas will be served on the island, and there are opportunities to purchase souvenirs from beach vendors, or even enjoy a back massage (at an additional cost). After a few hours, the group will return to the mainland.

ABOUT THE DOMINICAN REPUBLIC

- The Dominican Republic is located on the Caribbean island of Hispaniola.
- The island was colonized by Spain in the late 1400s, becoming the first European settlement in the Americas. In 1804, Spain ceded the western third of the island to the French, which became Haiti. The remaining land became the Dominican Republic.
- The island is beautiful, and 25% of the Dominican Republic's land and shoreline are preserved as national parks and reserves.
- The Dominican Republic has the largest economy in Central America and the Caribbean, fueled by tourism, agriculture, fishing, and mining.
- Merengue, a fast-paced music and dance, originated in the Dominican Republic from slaves who worked in the sugar beet fields.
- Baseball is by far the most popular sport throughout the country, and many famous players in American baseball leagues come from the Dominican Republic.

Foreign Cash

The Dominican Republic uses the Dominican Peso, and has an exchange rate of approximately 55 pesos to \$1 USD (November 2023). This exchange can be made at the airport baggage claim or after you clear customs. Many countries offer better exchange rates for larger bills (\$50s and \$100s), so if you bring small bills, you may get a different exchange rate. Any cash you bring should be in newer, unmarked, and untornd bills. The project coordinator will also exchange money for you in increments of \$10 at the flat rate of 50 pesos per \$1 USD.

While some establishments accept credit and debit cards, most small shops only accept cash. It is wise to let your credit card company know the dates you will be traveling, so they don't block your card when you use it in a foreign country.

Tipping

Your project coordinator will take care of paying guide tips on group excursions. If you feel like someone (excursion or hotel staff, etc.) has provided excellent service during your trip, you are more than welcome to show your gratitude with additional tips. If you have any questions during the project about whether or not tipping would be appropriate, your project coordinator or Maranatha in-country support staff can help you understand the local culture.

Weather

Weather patterns can change suddenly, so Maranatha recommends volunteers check the 10-day forecast for the project area before traveling.

Santo Domingo | The Dominican Republic enjoys tropical weather year round. Rain showers are common, but usually come in bursts for short periods of time. In October you can expect temperatures in the upper 80s °F during the day and low 70s °F at night. High humidity levels can make these temperatures seem much warmer. Be sure to stay well hydrated.

TRAVEL INFORMATION

Please complete Maranatha's online registration and wait for confirmation from Maranatha before purchasing your airfare.

If this is your first time traveling abroad (or you need a refresher course), you may want to check out Maranatha's International Traveler Guide (available at maranatha.org under Volunteer Resources), which shares tips on everything from booking travel to communicating with those at home.

Flights

Please be careful to follow these guidelines when booking your travel. If you arrive or depart outside of these posted windows, you may have long wait times at the airport or be responsible for paying the additional transportation costs for your individual airport transfer. If you have questions about your itinerary, please contact Maranatha prior to booking to avoid any additional charges.

Project Only

Arrive: Santo Domingo, Dominican Republic (SDQ) between 10:00 a.m. and 10:00 p.m. on Thursday, October 3

Depart: Santo Domingo, Dominican Republic (SDQ) between 6:00 a.m. and 6:00 p.m. on Sunday, October 13

Arriving Early or Staying Late?

Some of you may choose to extend your travel before or after the project. Since our volunteers bring so much to the shared experience of the project, we ask that you participate in the entirety of the Maranatha project (during the advertised dates). Any additional travel outside of the Maranatha project should be scheduled for before or after the project dates to avoid mid-project interruptions. If you choose to add additional travel, you are responsible for making your own hotel and transportation arrangements for the time outside of the arrival and departure windows listed above. If you have any questions, feel free to call Maranatha at (916) 774-7700.

Entry Requirements

Below are the requirements for U.S. and Canadian citizens. If you hold a passport from another country, please consult the Indian embassy or consulate in your home country for entrance requirements.

Passport | All passports must be valid for at least six months from the dates of intended travel (April 13, 2025). If you do not have a passport, U.S. citizens can apply at any U.S. post office or online at <http://travel.state.gov>. Canadian citizens can apply online at www.passport.gc.ca. It can take up to two months to complete the entire process, so plan accordingly to give yourself enough time to receive your passport.

Dominican Republic E-Ticket Self-Declaration Form | This form registers your travel and completes your immigration and customs forms. You should complete this form within 72 hours of departure at <https://eticket.migracion.gob.do/Auth/TravelRegister>.

Traveling With Minors

Birth Certificate | Countries continue to make efforts to prevent child-trafficking, so some hotels and airports require proof of parent-child relationships, even if your child is a teenager. Maranatha recommends guardians bring a copy of their child's birth certificate and any other documents (guardianship papers etc. to answer these questions.

Parental Consent Form | If a legal minor (under the age of 18 on the date you depart) is traveling without both parents or legal guardians, Maranatha requires a parental consent form. This form confirms that both guardians have consented to their child leaving the country with an appointed person and Maranatha. It also gives Maranatha permission to treat the child medically in case of an emergency.

You can find this form online at www.maranatha.org/resources. Mail one notarized original to Maranatha and keep another notarized original with you as you travel. The form will ask for two appointees. The first will be the guardian traveling with the minor. The other will be Karen Godfrey, the project coordinator.

Special Circumstances

Divorced Parents: Both parents must still sign the form. If one parent has sole legal and physical custody, provide a copy of the divorce decree stating as such.

Deceased Parent: Provide copy of death certificate.

Legal Guardians: Provide a copy of guardianship paperwork.

Other Situations: Contact Maranatha for guidance.

Luggage Considerations

Please check with your airline or travel agent for luggage weight and piece allowances for each portion of your itinerary. Domestic flights often have tighter restrictions. In addition to your checked bags, airlines usually allow one carry-on item, as well as a personal item such as a purse or small day pack. However, each airline is different, so read through your airline's baggage policy before you head to the airport.

Sometimes bags are delayed, so please bring your personal medications and a day's worth of clothes and toiletries in your carry-on luggage, just in case. We recommend that you keep your carry-on luggage with you; do not "gate-check" your bags, especially if the bags have electronics or camera gear.

HEALTH AND SAFETY

Travel Safety

Understanding the culture and educating yourself about travel in the Dominican Republic is the best way to keep safe. Below are a few tips for you to consider.

- Leave valuables (expensive or sentimental) at home.
- Dress conservatively; a flashy wardrobe attracts more attention.
- Use a money belt or concealed pouch for passports and cash. Watch your wallet.
- Don't leave valuables unattended in open sight.
- Avoid marginal areas of cities, dark alleys, and crowds. Use caution and keep moving if strangers, including vendors, approach you on the street.
- Don't travel alone or at night.

Worksite Safety

Maranatha has a very high safety record on the worksite. The safety equipment you'll need will depend on the project scope and what job you do (see packing list). Hard hats and closed-toe shoes are required on all job sites.

Short Term Travel Insurance

All volunteers will be covered by a short-term insurance policy from the time they leave their home country until the time they arrive back in their home country. The policy does not have a deductible and covers accidents and illnesses. As with all insurances, some exclusions apply. Maranatha does not carry or maintain health, medical, workers compensation, or disability insurance coverage. The coverage amounts and details can be found at www.maranatha.org/insurance.

For volunteers extending their travel before or after a project, the insurance will start and end with the Maranatha project dates. If you would like to extend your coverage for your extra travel at your own expense, contact Maranatha.

You will receive a brochure, prior to your project, listing the policy number and contact information for assistance or emergencies during your travel.

Medical Recommendations

While Maranatha does everything in our power to ensure the safety of our volunteers, it is also advisable to do your own research when it comes to the medical precautions. We recommend that you schedule a consultation with your physician or a travel clinic to discuss the medical risks in India and the ways to minimize them. If at any time during the project you start to feel sick, speak with the project medical professional and the project leader as soon as possible.

COVID-19 and Other Viruses

When traveling you may be exposed to viruses, such as the recent COVID-19 virus. We recommend a few simple tips to minimize your risk of getting sick:

- Avoid close contact with people who are sick.
- Wash your hands often, with soap and water.
- If you don't have access to soap and water, use hand sanitizer.
- Clean and disinfect frequently touched surfaces using disinfectant wipes.
- Wash your hands after shaking hands with others or handling cash.
- Get adequate sleep.
- Drink plenty of purified water.
- Try to eat a well-balanced diet.

Malaria

According to the Centers for Disease Control and Prevention (CDC), Santo Domingo province is considered to be at risk for malaria. There are different oral medications that can lower your risk of contracting malaria. You will need a prescription and each has different side effects and dosages, so speak with a doctor.

Mosquitos and Other Insects

Mosquitos and other flying insects can carry a variety of diseases including malaria, chikungunya, zika, and dengue. Personal precautions are strongly recommended to lower the risk of being bitten.

- Use a bug repellent with a 30-50% concentration of DEET.
- Wear long sleeves, long pants, and closed-toe shoes when possible.
- Avoid areas of standing water.
- Avoid spending a lot of time outside during dusk and dawn.

Food and Water

Food and water safety standards vary greatly from country to country, and we recommend that you exercise caution with the food and water you consume while abroad. Maranatha will provide purified water.

- Eat only food provided by Maranatha.
- Purchase only commercially packaged snacks, not from street stands.
- Drink only purified water and sealed juices and sodas.
- Do not drink items with ice cubes.
- Do not brush your teeth with tap water; use purified water.

Allergies and Dietary Restrictions

Maranatha provides three vegetarian meals each day. We ask for your allergies on your registration form and will do our best to accommodate your needs. However, on large projects especially, it is harder for our cooks to accommodate special requests. If your diet is very restrictive (vegan, gluten free, etc.) we recommend that you bring items such as soy milk powder, gluten-free bread, etc. to supplement the meals provided by the cooks.

ADDITIONAL INFORMATION

Cultural Sensitivity

It's important to enter another culture with respect and understanding of their traditions. Cultural sensitivity also means we will respect Adventist culture in the Dominican Republic. Adventists in the DR tend to be more conservative than Adventists in the United States and Canada. During the project, we will be sensitive to this by dressing as modestly as possible. Pants and cap sleeves are preferred to shorts and tank tops. For church activities, women will need to have skirts that reach past the knees, and men are expected to wear ties if they are involved in the activities on the platform. Please be respectful as we observe their customs and visit their homes. Feel free to ask questions and rely on leaders to know what is appropriate or not. Out of respect we ask that you ask people for permission before taking photos or videos of them.

Maranatha Lifestyle

Each mission trip is a unique experience, and during the project, there is a great need for flexibility. Volunteers on Maranatha projects come from a variety of backgrounds and lifestyles. As we all become one big family for two weeks, we will need to refrain from some of our personal desires and freedoms and adopt the lifestyle of the group.

On all of our projects we ask that volunteers refrain from using alcohol, tobacco, marijuana or other non-prescription drugs during the trip.

Maranatha projects are open to individuals of all faith backgrounds, and we ask that all volunteers come into the project with an attitude of respect toward one another. During this trip we emphasize service opportunities that grow faith in God. On Maranatha projects, worship services are held on Sabbath (Saturday), and we ask all volunteers to participate in the experience with the group. While we do our best to make provisions to avoid extensive travel or utilizing restaurants on Sabbath, sometimes it is hard to avoid. Please be aware of this and if you have any questions, please speak with your project coordinator.
